

Cost of Attendance Budgets F.Y. 2016-17

Cost of Attendance (COA) budgets are set each year as a tool to help students budget their own finances for the year. The COA is the estimated full and reasonable cost of completing a full year as a full-time student (based on the student taking 15 credits per semester). These amounts do not reflect an individual student's actual charges, as those will be based on choices made by the student and will be different for every student.
