The Pre-Nursing curriculum, which St. Gregory’s has long provided to students preparing to apply for other nursing programs, is now available to students who intend to apply for admission into the proposed Bachelor of Science in Nursing (BSN) program at St. Gregory’s University.

Pre-Nursing students may apply for acceptance into St. Gregory’s proposed nursing program when they complete the general education and prerequisite course requirements, which are detailed on the opposite page. Other admission requirements will apply.

RIGOROUS STANDARDS IN PRE-NURSING
Pre-nursing students receive an excellent education through the bio-medical courses at St. Gregory’s. Our students also receive a holistic, ethics-focused education with its emphasis on critical thinking, ethical decision making, problem solving and servant leadership.

UNIQUE PROGRAM FEATURES
St. Gregory’s Nursing Program will have two unique features. The curriculum will have an ethical focus based in Catholic theology and social teaching. Graduates will be well prepared to provide holistic care by treating the whole person – spiritually, emotionally and mentally – as well as physically. Students will receive a well-rounded and diverse clinical experience, so they will be recognized as being well prepared for employment. St. Gregory’s offers a unique perspective of emerging issues such as transformative learning and global leadership.

EXCLUSIVE PARTNERSHIPS
St. Gregory’s is partnered with St. Anthony Hospital, St. Francis Health System, St. John Medical Center and Mercy Hospital — Oklahoma’s four Catholic healthcare systems — to provide a nursing program that educates students about Catholic health care practices and develops the skills they need to meet the professional standards of the healthcare field.

ESTIMATED TIME OF COMPLETION
Pre-Nursing Requirements — Two Years or 74 hours

PERSONALIZED ATTENTION
From the time you apply until you graduate, you receive customized, personalized attention and guidance. Our caring staff will assist you through the admissions, financial aid and registration process and our faculty will mentor you throughout your studies.

CAMPUS LOCATIONS
The Pre-Nursing program is offered at St. Gregory’s Shawnee campus in a traditional degree format.

Shawnee
1900 W. MacArthur Dr.
