RN to BSN Degree Completion Program
The process to obtain national accreditation for the Bachelor of Science in Nursing is underway.

PROGRAM OVERVIEW
St. Gregory’s degree completion program is designed for working nurses to advance from Registered Nurse (RN) to a Bachelor of Science in Nursing (BSN). Courses will be offered using classroom time and online strategies.

RIGOROUS ACADEMIC STANDARDS
Nursing students will receive a holistic, ethics-focused education with emphasis on critical thinking, ethical decision making, problem solving and servant leadership.

UNIQUE PROGRAM FEATURES
The curriculum will have an ethical focus based in Catholic theology and social teaching. Graduates will be well prepared to provide holistic care by treating the whole person – spiritually, emotionally and mentally – as well as physically. The curriculum will also address issues in health care leadership, public health and global health initiatives.

EXCLUSIVE PARTNERSHIPS
St. Gregory’s is partnered with St. Anthony Hospital, St. Francis Health System, St. John Medical Center and Mercy Hospital — Oklahoma's four Catholic healthcare systems — to provide a nursing program that educates students in Catholic health care practices and develops the skills they need to meet the professional standards of the healthcare field.

ESTIMATED TIME OF COMPLETION
Approximately 12-14 months

PERSONALIZED ATTENTION
From the time you apply until you graduate, you receive customized, personalized attention and guidance. Our caring staff will assist you through the admissions, financial aid and registration process. Our faculty will mentor you throughout your studies.

ESTIMATED TUITION
Estimated cost of completion is $14,212 for a 30-credit program which includes non-nursing undergraduate courses. Your St. Gregory’s representative can help you determine the final cost to complete your degree.
